Mr. Henderson now lives in Peyton writing books, and breeding, raising, and developing registered American Quarter Horses for professional rodeo and futurity competition. He is involved with a gun maker in Colorado Springs, Karl Lippard Designs and Joseph Brazier Ltd. They are in the midst of opening a firearms and ammunition factory in Colorado Springs--Lippard Arms and Ammunition. Currently, they are bidding on a \$22.5-million dollar government contract that will outfit the US Marine Corps with 12,000 units of their new generation, patented .45 caliber pistol, which will be designated the USMC Close Quarters Battle Pistol. Lippard has a full line of new generation rifles, shotguns, and pistols, all carrying a long list of new patents, all owned by Karl Lippard. These are the first major patents in firearms design in 122 years, according to the US Patent Office. Once the factory is opened, it will likely employ 300 people during the first year, and forecasts significant growth and increasing demands for more workers with that growth.

Mr. Henderson and Mr. Lippard will speak on "The fight against government to save our economy and the Lippard Firearms & Ammunition Factory Planned for Colorado Springs."

PPFC Elections

In January, we will elect the following PPFC officers: Vice President, Secretary, Membership, Legislative, PAC Chair, and four at-large PAC Steering Committee members. If you would like to run for one of these positions, please send an e-mail to info@ppfc.org with the position you will seek.

Win up to ****103**** Firearms and a Gun Safe

The Colorado Springs Friends of NRA is raffling off about **\$50,000** in guns and a gun safe!! The committee is selling 2011 "Girls and Guns" calendars for \$50. Each calendar is an entry into the firearm raffle. Each Saturday in 2011, two firearms will be given away. Each entry can win multiple times. So, if you are very, very lucky, you could win 103 firearms and a gun safe for a \$50 ticket!

There is a link on the PPFC website to a list of the firearms and locations where calendars are being sold. Calendars will be available at the September PPFC meeting. There will only be 2,000 calendars sold so your chances of winning a firearm are very good. These will go fast, so don't miss out!
