PPFC October Program

On October 11th, Charles Knight of the 57th Patriot Association, gave us a very moving presentation of the United States Declaration of Independence. On July 4th, 1776, John Hancock signed the Declaration of Independence. Most of the other 55 Founding Fathers did not sign until August 2nd. The question posed by the 57th Patriot organization is, “If you had been there on that day in 1776, would you have been the 57th signer of the Declaration of Independence?” After his presentation, several PPFC members signed a copy of the Declaration of Independence as the 57th Patriot. For $20, we got a copy of our signed Declaration, a 57th Patriot challenge coin, patch, and window decal, and a crisp new $2 bill which depicts the signing of the Declaration of Independence on the back. Go to www.the57thpatriot.com to see how you can join this great movement.
