**Legislative Update**

With the Democratic party in control of both houses in the Colorado Legislature and an anti-gun Democratic governor, the right of law abiding Colorado citizens to keep and bear arms is in jeopardy.

House Bill19-1177: Extreme Risk Protection Orders (“**Red Flag**”), passed the Senate and was sent back to the House for concurrence with Senate amendments. No Republicans voted for this bill and no amendments to change the focus from gun confiscation to mental health support were adopted. This bill will be signed into law by Governor Polis.

Many Colorado sheriffs and county commissions have expressed their opposition to this bill; including, El Paso County Sheriff Bill Elder and the El Paso County Commission.

Based on the lack of due process for a firearm owner prior to having their firearms seized, this law will be challenged in court.

At the Federal level, the Democrat controlled House is pushing a “universal” background check for the transfer of all firearms (similar what has been implemented in Colorado by Democrats).

The PPFC is a single issue organization: Protecting our right to keep and bear arms. To that end, we support candidates and elected officials who will support and defend that right.

We are entering into a new 2-year campaign cycle leading up to the November 2020 elections. This means we can donate up to \$400 per person to the PPFC Political Action Committee (PAC) over the next 2-years. We can also donate up to \$50 per calendar year per person to the PPFC Small Donor Committee (SDC). Please consider helping us help those who will be running and supporting our rights. You can donate on the PPFC website or at our meetings.
